CANDETTI CONSTRUCTIONS PTY LTD

**PROJECT MIELE SHOWROOM, HILTON
ARCHITECT RBI**

The judges were particularly impressed by this facility, which incorporates a contemporary showroom, demonstration kitchen, gallery and administrative offices in a themed setting in keeping with Miele's high quality branding. In addition to the excellence of the finished product Candetti Constructions placed a significant emphasis on collaboration with the design team and client and construction team. Effective communication was a hallmark of the project through both construction and commissioning. The resultant building boasts excellence in all facets of construction with exceptional quality in the detailing and precision in the finishes.
